Not sure what the "big deal" is about mail-order ham radio equipment!  
Heath did it for decades! Got my first "store-bought" radio, a  
Swan-350, from Radio Shack back in the 60's. Back then Lafayette also  
sold mail order, as to do many firms in all the magazines. Some folks  
just need something to be excited by/about!

Hello, I just recievedgo my license abvout  
a week ago.

I was wondering if anyone could tell  
me the local repeater Frequencies in Fairbanks       rirb wq  
Alaska. Also, what seem to be the popular simplex  
frequencies.

I'm also interested in finding out the local clubs  
and groups if any around here. Please e-mail me!!!!!!  
Thanks for your time!!!!!!       d
